THE OFFICIAL TROPHY

SILENT SPEED

DESIGNED BY FERRARI

The shape of the sculpture represents the dynamism of a cyclist on the road. This dynamism is transformed into "speed", joining the human being, the cyclist, the technology, and his bike in one single element, like in Ferrari's sport world with the racing driver and his car.

THE ADNOC STAGE

THU, OCTOBER 8TH 2015

FROM QASR AL SARAB TO MADINAT ZAYED

The entire stage takes place in the desert. The first part goes along an undulating route on more or less high dunes accruing a remarkable vertical climbing. After Liwa the parcours is perfectly straight for over 40km as far as the first crossing of the finish line in Madinat Zayed where the peloton enters a final 14.5km loop.
